Parents refresh what an “Anchor” is and what they talked about last week

Parents and students think about the **top 3 strings** (intangible or tangible) **you are catching from your Anchors**. For example, my father is one of my Anchors and I am catching the handwork string, the persevering string and the honesty string.

Guiding Questions to help identify strings:

- What do you see in your Anchor you want to see more in yourself?
- What do you really admire about your Anchor?
- What is your Anchor really good at?
- What makes your Anchor a good person?
