

Learning Menu

For the week of: April 14, 2020

Grade level: 3

Each day you should try to choose one learning activity from each category. We have tried our best to provide activities that can be done with items you may have around the house.

If you are in Mme. Babin's French Immersion class remember your math activities and literacy activities should be done in French when possible.

<p>Appetizer</p> <ul style="list-style-type: none">◇ Choose a Cosmic Kid's video (updated links below) and try a guided meditation or yoga series.◇ Write a list of 5-10 things that you're thankful for.◇ Do a wellness activity from the Wellness calendar on the RES website.	<p>My favorite learning activity this week was:</p>
<p>Main</p> <ul style="list-style-type: none">◇ Dream Box Math (online)◇ Math Facts game (new games below!)◇ Start at 585 and count backwards to 300 by 5s. Take a step backwards for each number you say. (Watch where you're going!)◇ Problem of the week	<p>The most challenging activity this week was:</p>
<p>Dessert</p> <ul style="list-style-type: none">◇ Read to a pet or a stuffy for 20 minutes◇ Practice sight words by playing a sight word game (listed below).◇ Write a list of all the things you can do to keep busy at home.◇ Facetime/Call a friend and talk to them. (3B can do this in French!)◇ Read the Message of the week (FI – video posted)	<p>My goal for next week will be:</p>

Click the first link on that page. Then explore books!

YouTube has LOADS of books being read aloud in French OR English. Just go on YouTube and search some of your favorite books. Here is an example:

How to Catch the Easter Bunny: <https://www.youtube.com/watch?v=KWqj5rXEXGI>

Math Facts Games

Race to 200:

You will need:

- Paper
- pencil
- a die

Instead of using Base Ten Blocks, you will draw units (worth 1), rods (worth 10) and flats (worth 100).

The object of the game is to get to 200 (2 flats) first.

To play, decide who is going first and take turns. Roll the die and draw that number of units. Every time it is your turn, roll the die and draw units. When you have 10 units, you can trade them in for a rod (10 units=1rod). Erase 10 units and draw a rod. When you roll the die, you only draw units. When you have 10 rods, you can trade it in for a flat (10 rods=1 flat). Erase 10 rods and draw a flat. The first person to reach 200 (2 flats) wins. Next time, race to 500!

Add 10:

You will need:

- a die
- game tokens
- a game card

To make the game card, you will need to draw a square with 4 lines going down and 5 lines going across inside the square. This will give you 30 boxes in the square. In the boxes, you will need to put the numbers 11-16. Repeat numbers until all boxes are filled.

Now you are ready to play. Decide who will go first. Roll the die and whatever number you roll, add 10 to it. Then cover that number with your token. Now your partner turn. If a number that you need is covered already, you lose your turn. The person who has the most game tokens on the card wins.

****Reminder that you can always play a game from last week too!****

Problem of the week / La probleme de la semaine

Same problem written in both languages.

Corbin had 24 pieces of gum. He gave some to Kieran. Now Corbin has 11 pieces of gum. How many did he give to Kieran?

Corbin avait 24 morceaux de gomme. Il a donné quelques-uns à Kieran. Maintenant Corbin a 11 morceaux de gomme. Combien a-t-il donné à Kieran?

Words of the week / Les mots de la semaine

(these are for reading and spelling)

Français :

(Mme. Babin will post a video on how to pronounce and use the sight words)

1. prendre
2. cacher
3. finir
4. derrière
5. chercher
6. en
7. mettre
8. écouter
9. nouveau
10. Nouvelle

English :

1. Before
2. Very
3. To
4. Two
5. Too
6. Make
7. Your
8. Just
9. Have
10. them

Sight word game options

1. Sight word beanbag toss

Write sight words each on a separate piece of paper and place the paper on different spots on the floor. Toss a beanbag (or anything soft you could use a small teddy bear) and whatever sight word you land on, you must read it out loud. Try to hit all the words at least twice!

2. Sight word pathways

Write sight words each on a separate piece of paper (you could use the same ones from game #1) and make a path through the house. Step on each word and read it as you step on it. See how fast you can go through the whole path reading each word correctly. Mix up the order and try again!

Message of the Week for French Immersion

(using words of the week)

Semaine 21

Fabien
Chien

Quand la famille quitte la maison le matin, j'ai la maison à moi tout seul. Pour me garder occupé, je peux entreprendre plein d'activités.

La liste d'activités

1. Je peux **finir** de manger mon bol de nourriture.
2. Je peux courir après les écureuils dans la cour.
3. Je peux **chercher** pour ma **nouvelle** balle que j'ai perdue.
4. Je peux **prendre** une sieste **en** après-midi.
5. Je peux **mettre** tous mes jouets dans le panier afin de les ranger.
6. Je peux **écouter** les oiseaux qui chantent
7. Je peux prendre des friandises dans le sac *Friandises pour chien.*
8. Je peux me **cacher derrière** le **nouveau** sofa juste avant que ma famille arrive. J'aime jouer à cache-cache avec ma famille!

Je m'amuse pendant la journée, mais je suis tellement content quand ma famille retourne à la maison.
