

Math

Camp Mathematician!
Use your Math skills to prepare for camping fun!

Task #1 - You're in charge of setting up a Ring Toss game for campers to play today. This picture shows the results of the ring toss game:

Team Name	Number of Rings on Bottles
Mighty Mathematicians	● ● ● ● ● ●
Number Ninjas	● ● ● ●
Team Math	● ● ● ● ● ● ● ●

Legend: ● = 5 points

According to the graph, how many points did each team get? Record your results.

Task #2 - You're in charge of coming up with a new game to play with your fellow campers tomorrow. The game must involve Math skills in some way. Write the rules for the game on a sheet of paper. Be creative!

Task #3 - Camping is fun, but it is also hard work! You are in charge of gathering firewood for tonight's campfire. You will need to collect 15 pieces of firewood. You can only carry 3 pieces of wood at a time. How many trips will you need to make to collect all 15 pieces?
