Come check us out!

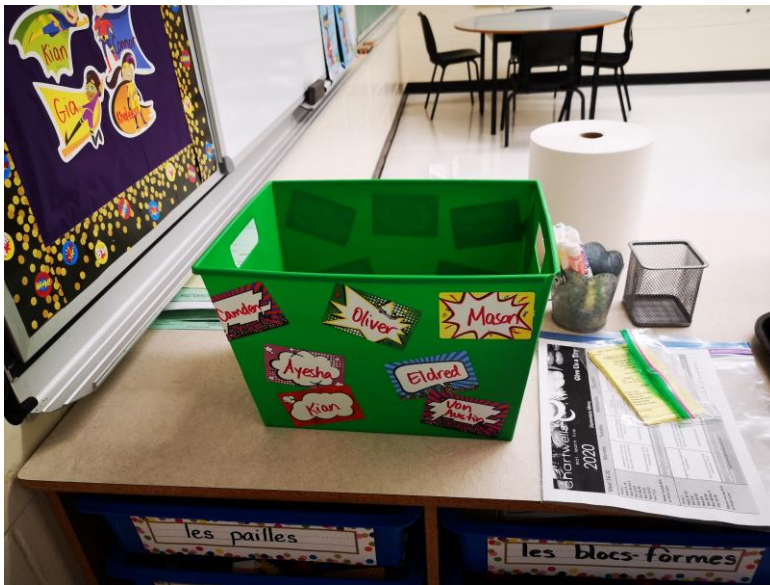

# Welcome to our class

Scroll through to browse a few pictures of where we spend our day.

If you have a note for me, please leave the agenda open to the correct page. If it's written on loose paper, just slide it in front of the cardboard with their name on it. Want to make sure I see it! 😊

Where we put our baggies in the morning.

Our leader board.

Some artwork we wanted to show you.

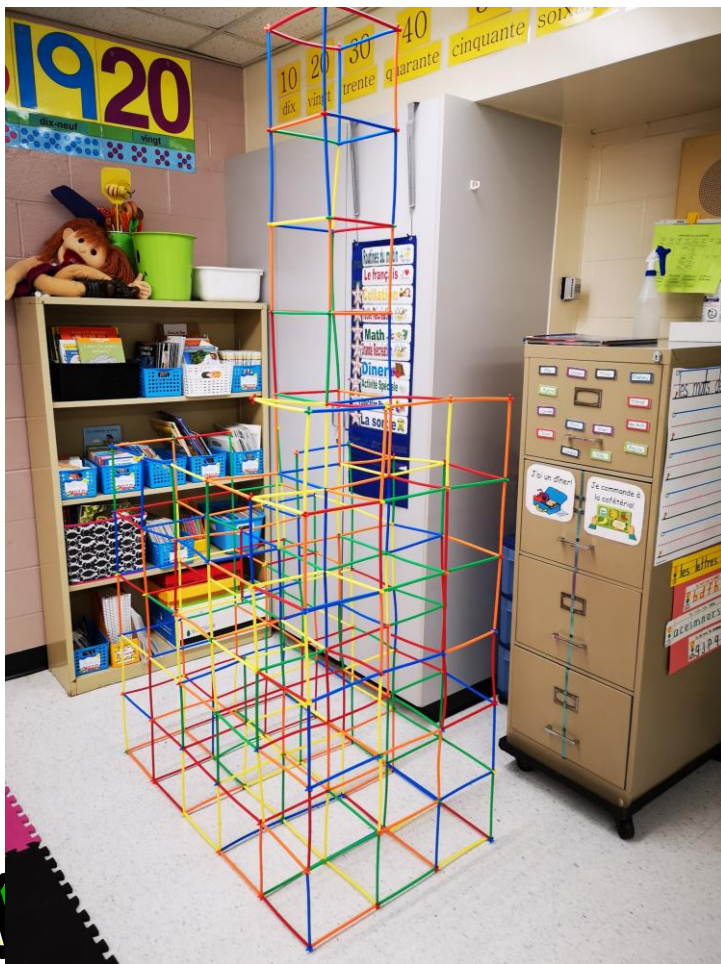

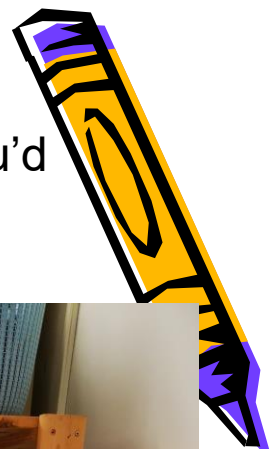

Our SmartBoard and story mat.

We're spending a LOT of time in our bubble this year. I've been rounding up some toys to play with during recess. If you have any you'd be willing to donate to our class, we'd love to add to our collection!

The really cool tower they've worked hard on! The cooperation was incredible.

Our toy shelf.

This is our puppet friend, H el ene. The star of the week gets to choose her outfit on Mondays.

We'll be going to the library every Friday. They can keep their book for the week, or I can collect it when they're finished with it.

# How to help your child

- Ask your child to talk about their day.
- Ask questions.
- Read English books to your child. Reading time should be fun! You're building a love of literature they'll hopefully have for life, not to mention you're helping develop deeper reading strategies they'll need later on.
- Eventually your child will bring home books in French. Even if you don't understand, you can still encourage your child to look at the pictures, make predictions, recap what they've read, etc...
- If you have any questions or concerns please feel free to contact me at the school.

We're going to have a great  
year!
