Welcome to the wonderful world of 1A!
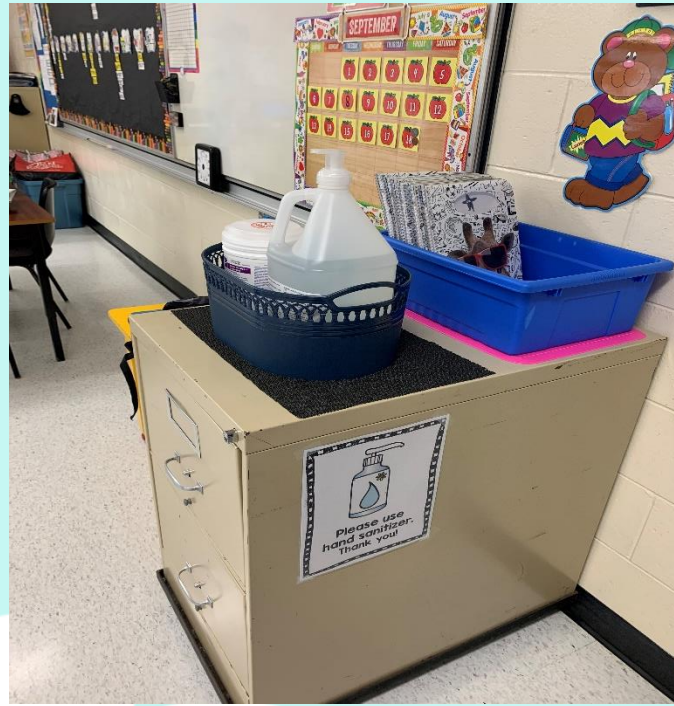

Hello!
I'm Ms. McFadden
and I will be
teaching 1A this
year! ☺

This is where all the magic happens for my 1A students!

Keeping everyone safe and healthy is going to take extra work so our students must sanitize their hands when they enter the classroom.
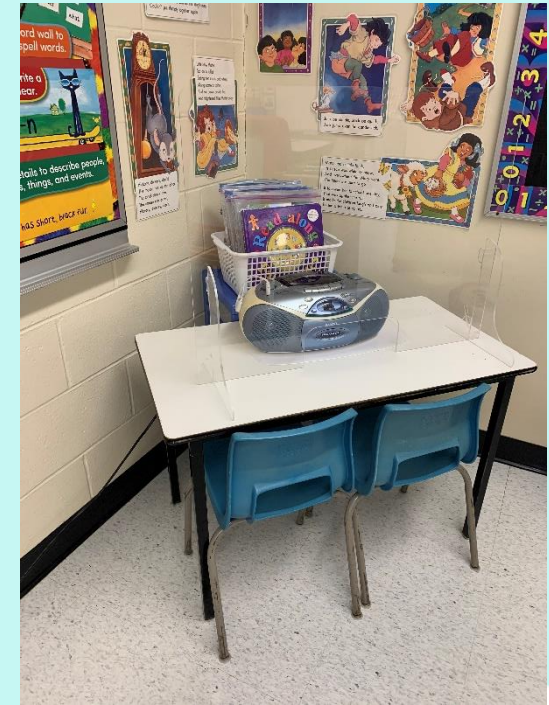

This is where we brainstorm and have read alouds. ☺

We have a great selection of books to choose from!

1A plays with bucket toys or they can choose to have a quiet time listening to stories in our listening center. We even have a new white board where students can practice their printing.
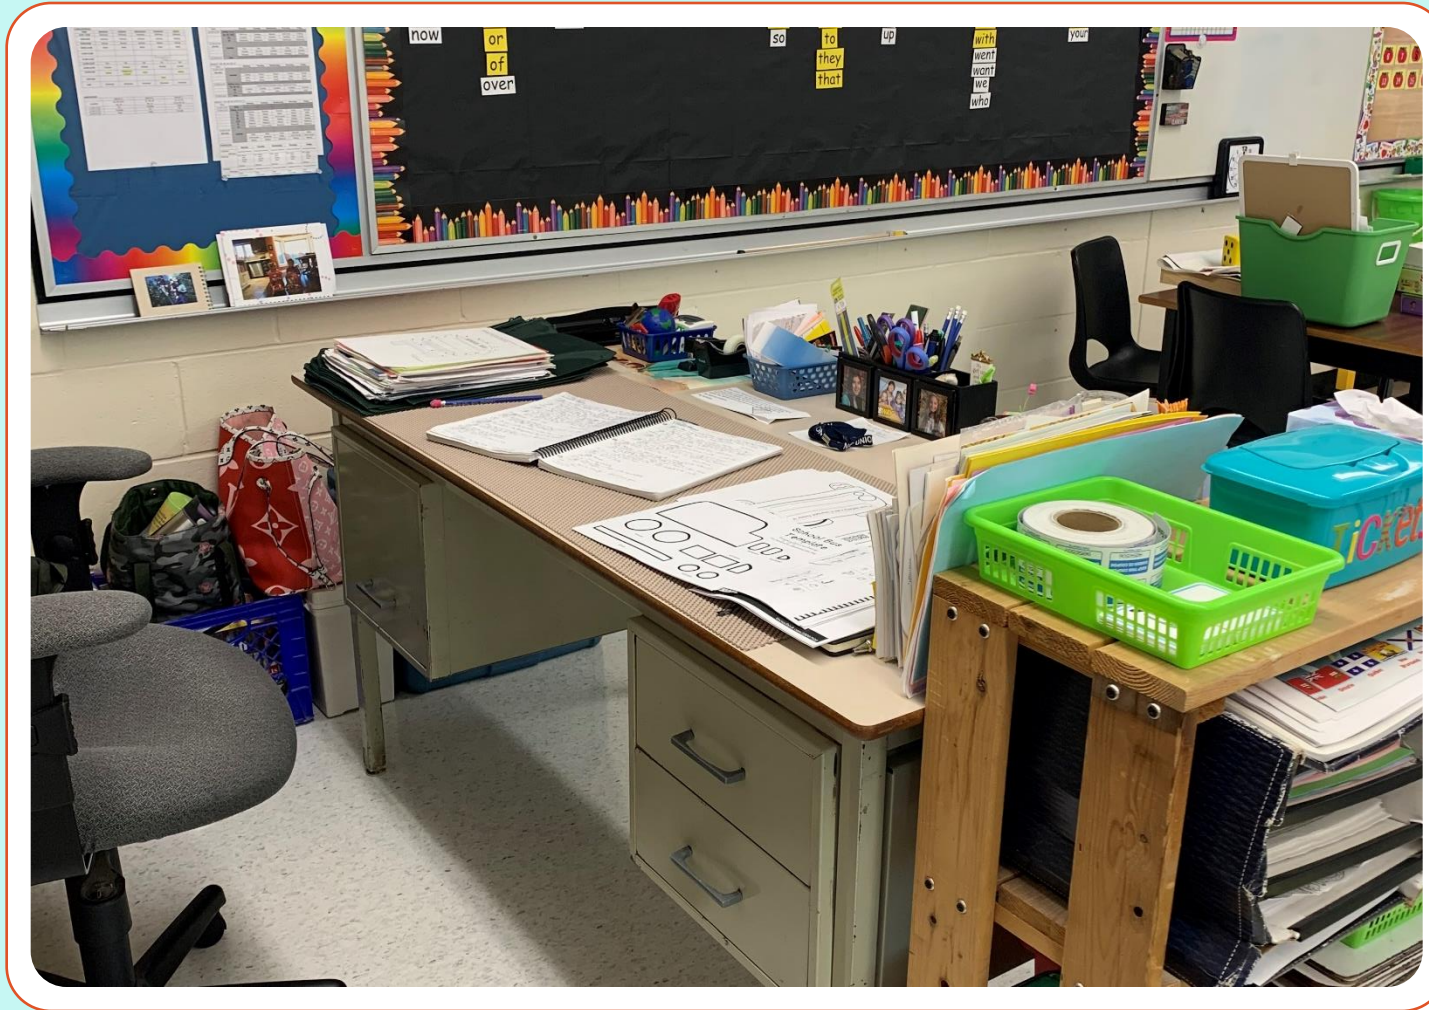

The students love making words at our easel and having time on our computers.

This is a snapshot of our busy schedule! This year we have added a new specialty subject: Exploratory. Of course, we also have Art, Music, Indigenous Studies and Gym!

This is my space where I do a lot of planning to create fun lesson plans for my special students!☺
