

Welcome to 5C with Mlle.
Porter

Welcome to the virtual classroom tour! I've been getting to know your child over the past week and we've been working together as a class to make our classroom a home away from home. I'm looking forward to seeing what the students achieve and create in the upcoming school year.

Class expectations

Your child will be expected to:

- be respectful**
- be ready to learn**
- be responsible**
- follow instructions**
- always try their best**

Communication

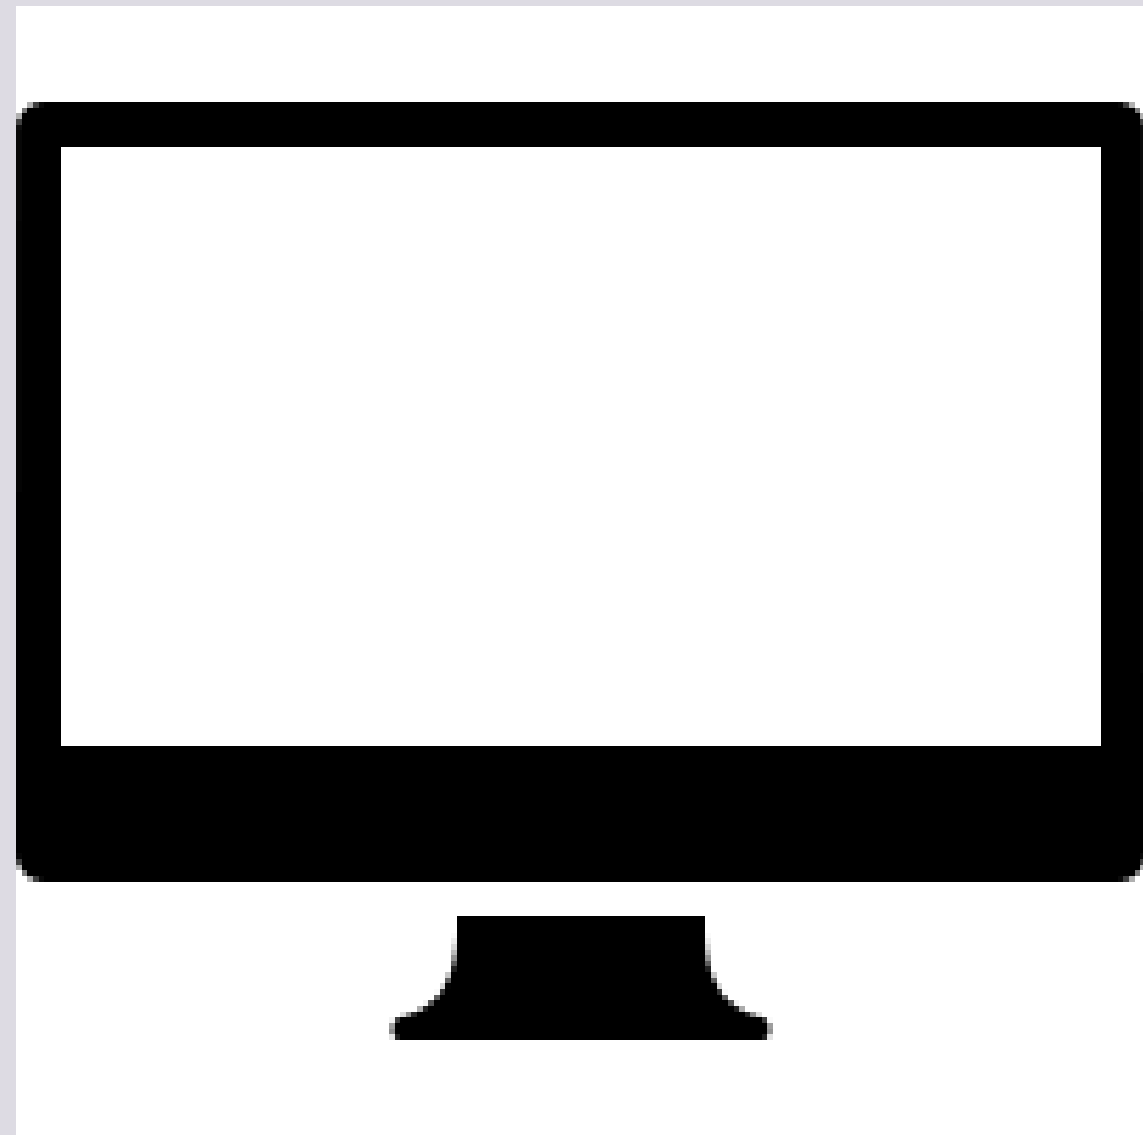

**If ever you have any questions or concerns regarding your child, please feel free to get in touch through email,

Homework

Your child will have daily reading homework and will be given a reading log to keep track of reading outside of school. I encourage you to engage in your child's reading by asking them about what they're reading.

Any additional homework will be written in your child's agenda.

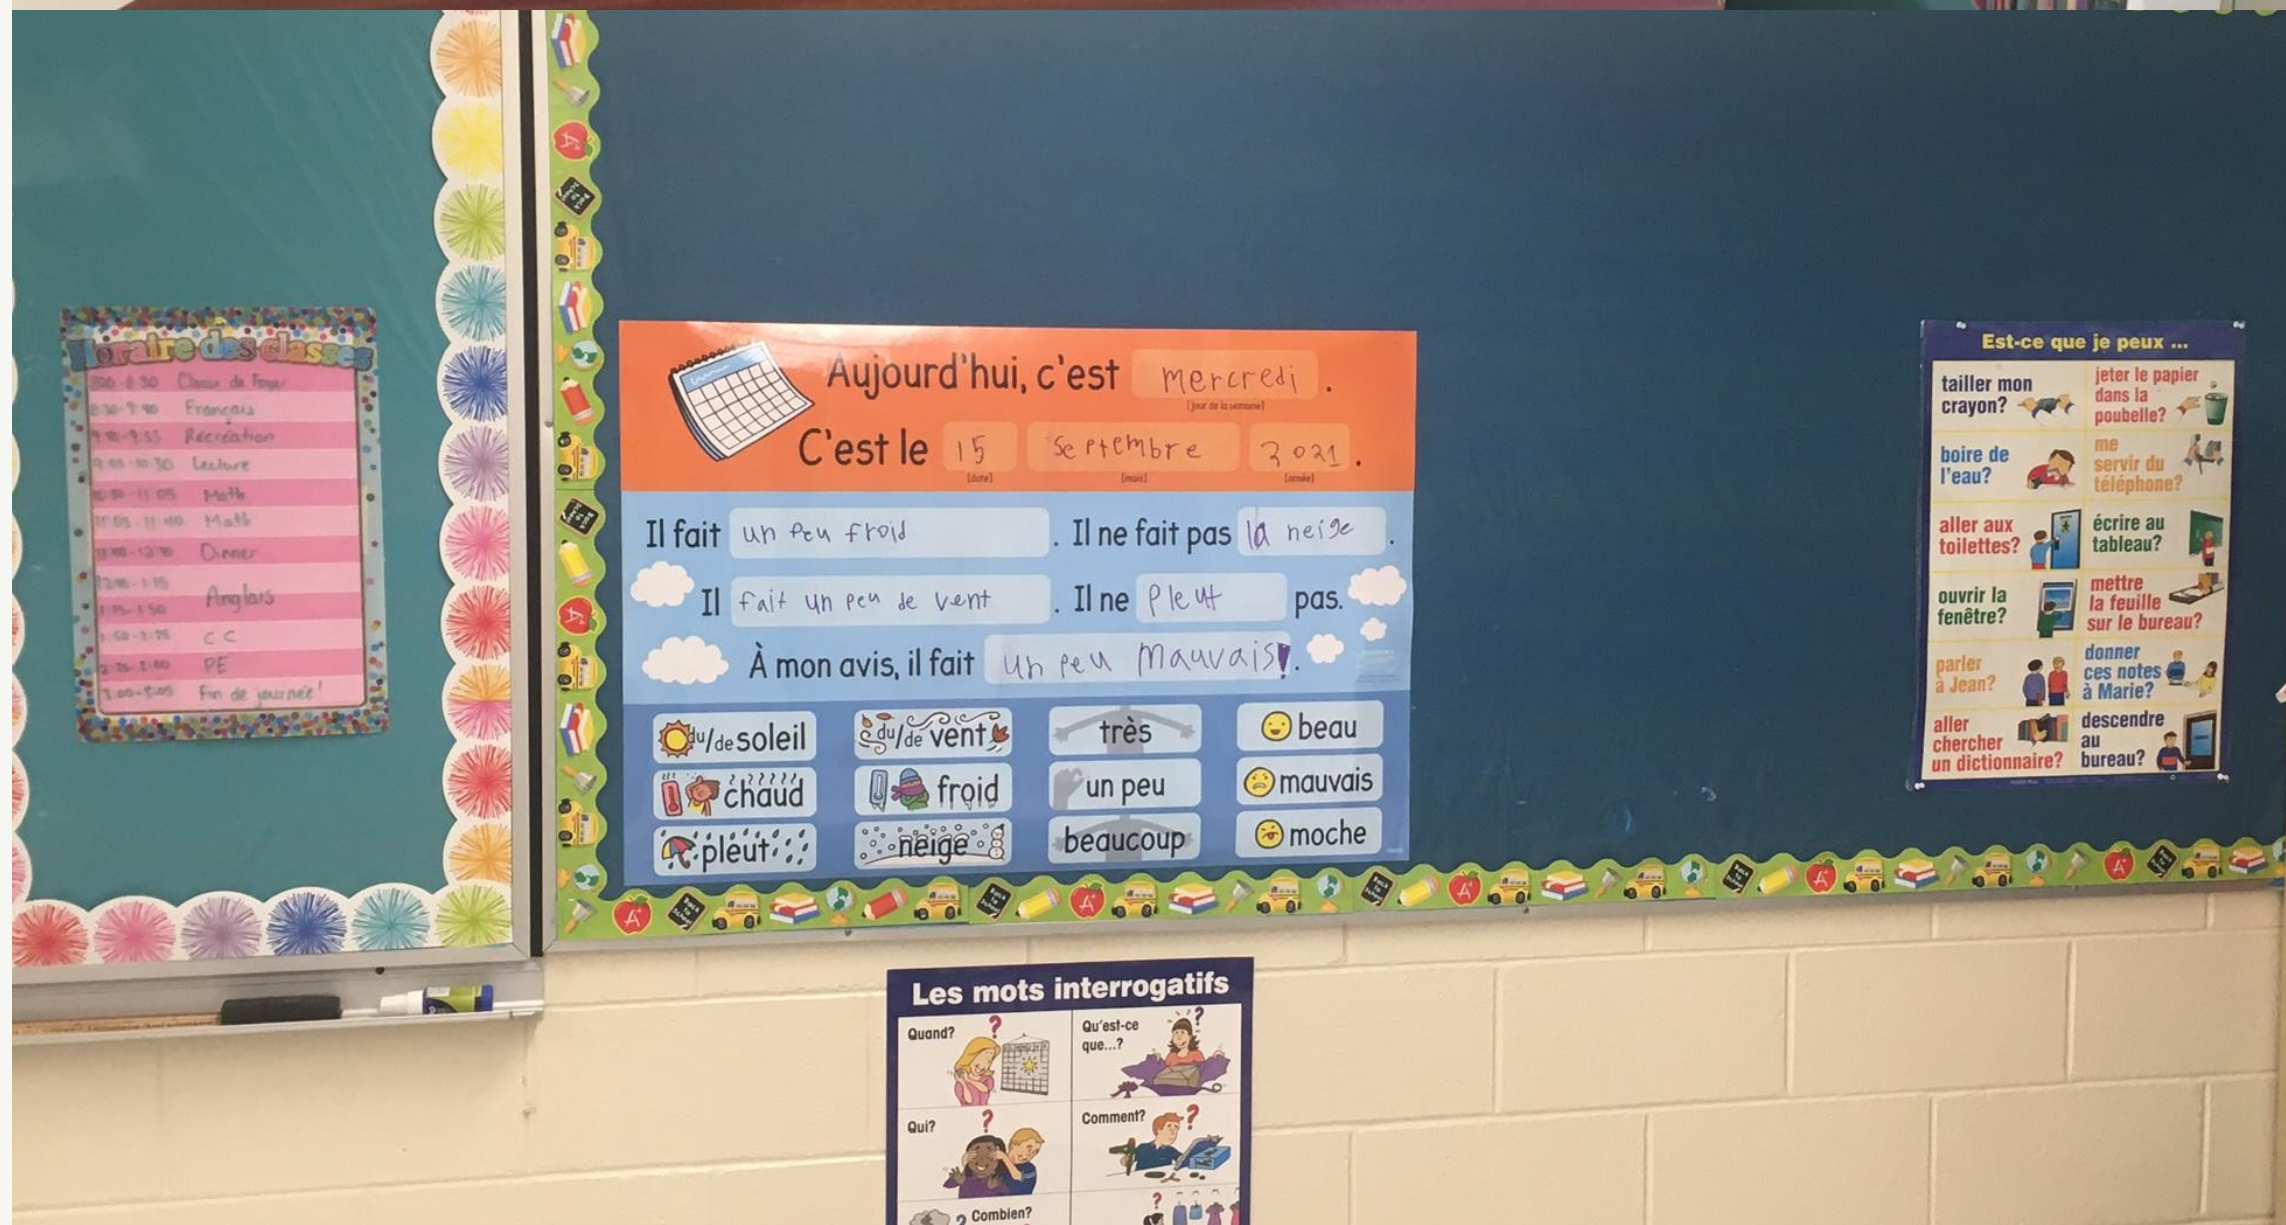

Home learning

In the event of home learning, a duotang with work for several days will be sent home in the next few days. Students will be expected to work from this book while transitioning to working from home.

This is a friendly reminder that if your child has not yet brought their \$7 in for their agenda to do this as soon as possible. They will not be given an agenda until they pay.

Now let's have a look at our classroom!

Thank you!
