

Madame Jardine

Grade 1/2 French Immersion

Welcome, parent(s) 😊

Welcome to the new school year!

My name is Madame Jardine, and I am very excited to be your child's teacher this year! It is a pleasure to have your child in my class.

Please feel free to contact me any time if there is a question or situation you would like to discuss. My email is kimberley.jardine@nbed.nb.ca.

You will receive additional communication throughout the school year. I look forward to building a relationship with your child while learning this year. 😊

French Immersion Program

There are 4 stages of language acquisition:

- Confusion
- Frustration
- Comprehension
- Oral Communication

Expectations of the program:

- Please remember that each child learns at their own rate.
 - They may feel overwhelmed at the beginning, however this feeling will be short lived.
 - We will work very hard to ensure that your child has a positive experience in their journey to learning a new language.

How you can help your child:

- Ask your child to talk about their day.
 - Read to your child nightly. Enjoy story time together and make it fun! 😊
 - Eventually your child will bring home books in **French** for homework. Even if you don't understand, you can still encourage your child to look at the pictures, make the sounds they see, make predictions, recap what they've read, etc.

Homework:

- Homework will change throughout the school year. At the beginning, students will practice familiar songs & poems. They will soon know these by heart! Encourage them to **point** to the words as they sing along. This is the first step in learning to read in French. 😊
 - Anytime a new type of homework is introduced, I will send home a note to explain what to do. Please keep checking the baggy nightly for notes and memos. I appreciate all your support!! 😊
