Create a mini poster to remind everyone in your family to wash their hands with soap and water for at least 20 seconds.

Find 5 different sized cans or bottles in your kitchen cupboard. Hold one in each hand at a time and compare. Can you order the cans from least amount of weight (lightest) to the most amount of weight (heaviest)?

Draw a picture of your family from shortest to tallest. Label each person. Measure each family member using a pencil, book, your hand etc. Write their lengths under their picture.
