Dear Parents/Guardians:

It has been brought to our attention that **some of RES' students have head-lice. We ask all parents to be diligent about checking their child for head lice.**

If you find any lice or nits please follow the following procedures:

- ★ **Notify the school** so that we can take the appropriate measures to eliminate this pesky problem in our classrooms/school busses.
- ★ **Contact your pharmacist to receive information regarding what would be the best treatment shampoo** to purchase to eliminate head lice
- ★ Call the school to **make an appointment to have your child's hair checked before they come back to school on the bus or otherwise.**

It is only with your ongoing cooperation & support that we will be able to eliminate this problem from the school.

Thanking you in advance,

Diane Wilson
Principal
