2013 Summer Reading Club

This year’s theme for the summer reading club is movies and film and the slogan is *Action!* Participants can explore the cinematic world and discover the close connection between page and screen. The theme includes such topics as film careers, Hollywood glamour, popular characters, famous movie animals, book-to-movie adaptations and film genres from around the world.

In addition to reading, a web portal of movie themed games has been designed to complement the club. All New Brunswick children can participate in this free summer program. Parents and guardians can register children who cannot read themselves, and read to them.

Participants can register on the bookmobile or may register by sending their name, telephone number, the name of the school they attend and the grade they have completed to bookmobile.southeast@gnb.ca. Once registered, a logbook to record what you’ve read can be downloaded here: <http://tinyurl.com/kbt85ov>. Your logbook will be marked for every 5 books, magazines, comic books, or websites you read. If you don’t have the Acrobat Reader software, it can be installed here <http://get.adobe.com/reader/>.

This summer, YOU are the reading star!
