SURVEY ON CHILD CARE SERVICES IN NEW BRUNSWICK

Parents and guardians are invited to complete an online survey on child care in New Brunswick as part of the public consultation being conducted by the Child Care Sector Task Force.

The survey is available at : www.gnb.ca/engageNB

The survey will remain online until Nov. 2. It represents a chance for New Brunswickers to tell the taskforce what kind of child care they are looking for, what options they have found, what works and what does not work in the current system.

The mandate of the task force is to provide a path for creating the right conditions for child care, and to suggest ways to address the challenges parents face in obtaining access to high-quality and affordable child-care services. The task force has been meeting with child-care operators and educators throughout the province.

Feedback may also be sent by email to:
