## RES's Safe & Positive Learning Environment

### Bus Safety Reminders:

- There is to be **no** eating or drinking on our school buses.
- Students are expected to **talk softly and remain seated** when traveling on our school buses; all students are expected to behave in a respectful manner when travelling on the bus.
- Our bus drivers are only permitted to drop-off students at his/her address when they **see the child's parent/guardian in the child's yard or drop-off zone**.
- Anglophone North School District schools (including Rexton Elementary School) **DO NOT grant bus transfers**. Our first priority is the safety of **ALL** of our students. Attempting to arrange bus transfers, for convenience sake, compromises the safety of all of **students and dramatically interrupts our safe and orderly dismissal procedures**. Instead of writing a note asking for a bus transfer, parents are expected to contact a family member or neighbour to make arrangements for them to meet their child when he/she arrives home.

### School Parking & Drop-Off Zones:

To ensure the safety of our students, all visitors and parents to Rexton Elementary are reminded to:

- Use the clearly identified entrance/exit AND **DRIVE SLOWLY** when driving in and out of our school yard.
- Ensure that their **child gets out of their vehicle on the drivers-side of the vehicle** (onto the sidewalk).
- REMEMBER that **only school buses are permitted to park in our School Bus Loading Zone**.
- DO NOT** park or linger in our Drop-off zone or Handicapped Parking Zone (before OR after school).
- Parents/visitors are expected to **PARK** their vehicles in our parking lot if they require more time with their child when dropping-off or picking him/her up at our school.
- A reminder that there is to be **no smoking** on our school grounds, including in our parking lot AND **no dogs** are to be brought onto our school premises (some students are allergic or fearful of dogs).

### Dropping Off & Picking-Up Your Child:

- Supervision begins at 8:00 a.m.
- Parents are asked to ensure that their child attends school for the entire instructional day, every school day.
- Parents are asked to please write a note to the teacher in your child's Student Agenda when/if they need to pick-up your child at the end of the day.

### Visitors to RES Must:

- Seek permission to enter our building by speaking to one of our school's administrators via the security camera microphone.
- Sign-in at the office (on the "adult" Sign-In sheet) and then obtain a visitor's pass before entering into our school hallways.
- Parents who pick-up their child before dismissal need to sign-out their child on the Sign-Out sheet which is located at the office window.

## RES Students Do-the-Math!

RES has purchased a license to use the online Math program, REFLEX, for the 2018-2019 school year! Students in grades 2-5 work on this program twice a week during the instructional day to increase their instant recall of their addition, subtraction, multiplication, and/or division facts.

- Teachers monitor their students' progress with this program online.
- Parents are encouraged to have their **child work on the Reflex program on their family's home computer as much as possible**.
- Students know their Reflex password but if **parents want to track their child's progress**, please refer to the Reflex letter that was sent home or contact your child's teacher.

Although **Kindergartners** do not work on the Reflex program, we encourage parents of younger students to work on the following concepts with their child: i). before/after, ii). one more/less, and iii). counting forwards from 0-10 and backwards from 10-0.

**Grade 1 students do not work on Reflex yet however parents** could work on the following concepts with their child: i). before & after, ii). two more/less, and iii). counting forward from 0-20 and backwards from 20-0.

## Nut-Safe RES!

There is to be **NO nut products** (peanuts, nuts, almonds, birdseed etc.) at RES ... even during our November 17th Tea & Craft Sale.  
**WOW Butter** (a peanut butter substitute) **is also not permitted. WHY?**
