RES' Citizenship Award Goes to ...

Twice a month Rexton Elementary distributes a **Starfish Award** to students in each class. Over the last month our students and staff have been concentrating on what it means to be a good citizen. Recently, teachers nominated students who were "caught" illustrating citizenship. The nominated students were celebrated by having their names: a) displayed on the bulletin board in our front lobby, b) placed on a certificate in their classroom, and c) announced over our intercom system. These nominated students were presented with an award and a Star Student pencil and they will have their names placed in a draw next week where one K-2 student and one Grade 3-5 student will win the opportunity to pick a prize from RES' Starfish Reward Cabinet! **Congratulations** to the following students who were **nominated for demonstrating citizenship:**

Kindergarten	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
Kate Hebert	Patrick Joseph	Cashius Clair	Hannah Delorey	Taryn Cail	J'imeg Ritchie
Treyson Milliea	Kaylea Rowe	Preston Pitts	Chelsea Quigley	Natasha James	Seth Denholm

RES' New Online Math Program

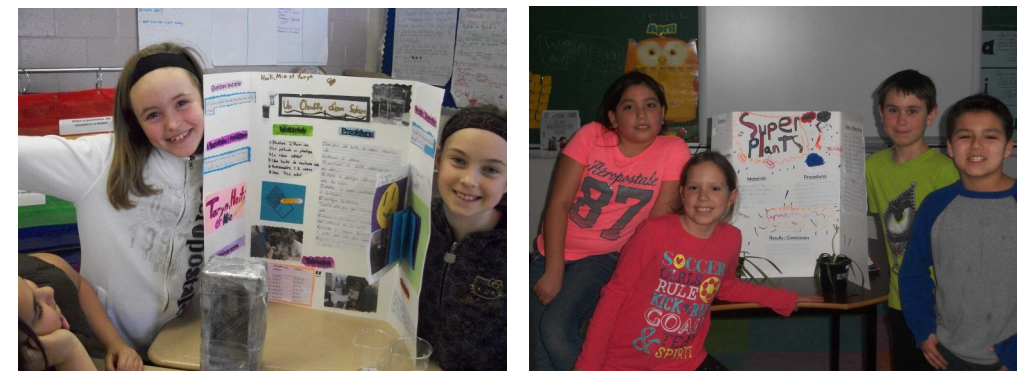

Rexton Elementary students in grades 1-5 will be participating in a Reflex Math pilot until the end of the school year. This program helps students of all ability levels develop fluency with their basic facts in addition, subtraction, multiplication and division.

The Reflex Math Program:

- continuously monitors each student's performance to create the optimal experience for every child.
- enables educators to easily monitor and support student progress.
- helps students to work on the program anywhere there is an Internet connection.
- is game-based, highly motivational and fun!!
- assists students of all ages and ability levels in making great gains with Reflex.

For more information, please check out the REFLEX website (<http://www.reflexmath.com/>) or contact your child's teacher.
