## Rexton Elementary's 2009 Tea & Craft Sale <u>Fun</u>draiser Event

Mackenzie serenades the appreciative audience in Frosty's Café at RES' 2009 Tea & Craft Sale

On an balmy, blustery Saturday morning, RES' Home and School members and teaching staff were up at the crack-ofdawn baking, decorating, and finalizing last minute details for Rexton Elementary's 2009 Tea & Craft Sale. The doors to our annual Tea & Craft Sale opened at 9 a.m. to hundreds of eager shoppers and school supporters. The aroma of freshly baked muffins ribboned through the corridors of our fine, fine school and sounds-of-the-season filtered through our school's intercom system resulting in a yuletide spirit of great anticipation.

Then the shoppers scurried to our school gymnasium to browse through our artisan's treasures.

This annual event is RES' Home & School one and only fundraiser and the funds raised are utilized to purchase such important items as: a) Student Agendas, b) new children's books for our 14 classrooms, c) RES' annual Grade 5 Farewell celebration, d) RES' Winter Carnival activities, and e) RES' Heritage week celebrations. The grand total for this year's Tea & Craft Sale was just over \$6300!!

A sincere "thank-you" is extended to all parents/staff who contributed to this year's Tea & Craft Sale by decorating our school to looks it

festive best, setting-up scores of tables, baking yummies & lugging groceries for Frosty' Cafe, waiting on tables, selling tickets, AND of course, assisting with the Herculean task of cleaningup after the doors were closed at 2 p.m. We would also like to thank our small group of performers who entertained the hungry customers in Frosty' Café: Shanece Wilson who tickled the ivories on her keyboard as she played Christmas carols, Mackenzie Wilson who treated us to a couple of Christmas jigs on her fiddle, Heather Morton who serenaded us with her breath-

taking whistling, and Valerie Thompson who entertained us with her guitar playing as she was accompanied by the angelical voices of her young children.

Finally, we need to thank our very small contingent of parent volunteers, especially our Home & School Executive members—Allison Ferguson, Dana Fergusons, Lynn Hutchison, and Carla Hudson—who ran themselves ragged in order for this year's event to be the success it was! We are blessed to have you! ©

### RES' Safe & Positive Learning Environment

To ensure the safety of all RES students who travel on either District 16 or District 11 school buses, **Rexton Elementary's NO BUS TRANSFER policy** will be strictly adhered to even during the hustle-and-bustle of the upcoming Christmas season. Our NO BUS

TRANSFER policy is intended to provide security to our 281 students, 25 bus drivers and 28 teaching staff. On any given day we could have a number of substitute teachers, bus drivers, and/or administrative staff who might not be aware of the intricacies of our transportation system, especially with the ongoing bridge & road closures. Rexton Elementary only provides bus transfers for authentic <u>emergences</u>. We encourage all parents to make arrangements with a family member or friend to meet their child at his/her regular bus stop when they are unable to be there when their child arrives home from school. Please refer to page 3 of our Student Agenda for further clarification on RES' NO BUS TRANSFER policy

Also, we encourage all parents to **avoid picking-up their children prior to dismissal**; we are still conducting "business-as-usual" at this time of year and pulling your child out of class for shopping trips, hair appointments, etc. can be extremely disruptive to our learning environment.

Please also be aware that leaving a message on our **school answering machine** <u>does not</u> **ensure** that our Administrative Assistant, Mrs. Agnew, will have had the opportunity to check her messages before dismissal.

With the large number of visitors entering our school building during the upcoming Christmas season, we must be even more vigilant about who is in our facility. Therefore, all visitors to RES are required to sign-in at our office and obtain a visitor's pass before proceeding past our lobby.

**THANK-YOU** to all RES parents who continue to supported us in our ongoing journey towards ensuring that our school is a safe and positive place to live & learn together!! ③

## RES' Students/Staff Catch the Olympic Torch Relay Fever!

On Thursday, November 26th, Rexton Elementary held its November REX-E Assembly. Special guests at this Assembly were BLMS' Olympic Torch Relayers: Carolyn Simon, Justin Lawson, and Peter Hachey. Each of these students attended our Assembly dressed in their Olympic Torch Relay gear and he/she was also sporting his/her newly purchased Olympic Torch! At the close of this Assembly, RES' 281 students kicked up their heels and treated the staff to a performance of an Olympic dance!

On Friday, November 27th, RES' grade 4 & 5 students ventured off to James M. Hill

High School to join 5000 other Olympic fans as the Olympic Torch was welcomed to the city of Miramichi. Although Mother Nature did not send us her best weather, our students did not let that stop them from totally enjoying the day. Our grade 4 & grade 5 students were exceptional ambassadors for our fine, fine school; in fact, many event organizers commented on how well-behaved and respectful our students were!

Good job grades 4 & 5!
