### Welcome 2011 ☺

Happy New Year everyone!! As we ring in a new year, Rexton Elementary School is thrilled to welcome back all our students and staff. We hope that everyone enjoyed a happy and healthy Christmas vacation and after a nice, rejuvenating rest are eager to resume our learning journey together. **The RES teaching team look forward to continuing to collaborate with all families to ensure that our students' academic, social/emotional, and physical needs are met in 2011 and beyond!**

## RES' Fluoride Program

RES will begin its Fluoride Program during the week of January 18th.

## Bullying at RES

### Survey:

Within the last few weeks of 2010, RES students were presented information about what bullying is. Within the next two weeks, all K-5 RES students will be completing a survey relating to bullying behaviors at our school. RES parents will also be asked to complete our Bullying Survey in early February. Once we have collected all the

surveys and have analyzed this important data, we will be reporting our findings to our PSSC and to all RES parents via our school website and March Newsletter.

We thank-you in advance for your continuing support in helping us maintain a safe & positive learning environment!

## Dressing for the Winter Weather

Once again this year, we urge all parents to continue to ensure that their children are dressed warmly for fun during our outdoor recesses. All students will be going outside at morning and noon recesses unless, of course, it is raining or extremely cold (below -14 degrees Celsius). All K-5 RES students need to wear snow pants and boots during outdoor recesses so that they can make the most of our snowy winter wonderland.

Parents are also encouraged to ensure that their child has an extra pair of mittens/gloves in their book bags in the event that their first pair gets wet on the playground during our first recess. Melting snow often results in puddles of water on our school floors and so it is also very important that all students have a pair of indoor shoes that they can wear whilst inside and that can be kept in their locker throughout the school day.

## RES' November 30th, 2010 PSSC Meeting

The Provincial Report Card indicating how RES students performed on the 2010 provincial Literacy & Numeracy Assessments is currently available on the Department of Education's website @ <http://www.gnb.ca/0000/index-e.asp> (click on *Report on Achievement 2009-2010*).

After analyzing and evaluating our 2009-2010 Assessment data, Rexton Elementary's teaching teams have reached consensus on what strategies will be used to implement our 2010-2011 School Improvement Goals. An in-depth examination of RES' 2010 Provincial Assessment results, as well as an overview of our 2010-2011 School Improvement Plan will be presented to RES' PSSC members at our February 10th PSSC meeting. **All RES parents are, as always, welcomed & encouraged to attend this PSSC meeting.** Non-PSSC members who wish to address the committee at our February meeting will need to contact our PSSC Chairperson, Sheena Sturgeon, in order to be added to our February PSSC Agenda; please call our school secretary, Mrs. Agnew, at 523-7152 to obtain Mrs. Sturgeon's contact information.

## Cartier CO-Op Foundation Supports RES' Dream!

Rexton Elementary's Dream Playground Committee (and indeed the entire Rexton community) is anxiously awaiting news from the AVIVA Community Fund as to whether our quest to receive \$25,000 to put towards improving our playground was successful. We anticipate that a decision will be announced on January 25th.

Pictured at the right is Cartier Foundations' Mr. Paul LeBlanc as he presents RES Principal, Mrs. Diane Wilson, with a very generous cheque of \$5700! This money will be used to purchase new playground equipment for Rexton Elementary's Dream Playground.

## RES' 2010 Anti-Bullying Day

RES students and staff participated in our second annual Anti-Bullying Day on Friday, December 17th. Students/staff wore blue to symbolize how sad (blue) they feel about bullying. All students were invited to attend our Anti-Bullying Assembly during our morning recess on Friday, December 17th to view a video presentation

entitled, "What is Bullying". RES students were given a blue-ribbon to wear on their lapel to commemorate this significant day. Pictured on the left are the students who gave up their morning recess to participate in this year's Anti-Bullying Assembly.

## RES' 2010 Breakfast With Santa

On Monday, December 20th, RES' students were treated to a high dining experience right in our school cafeteria. Students were led into our festively decorated cafeteria and served a fancy Christmas breakfast of cheddar, fruit/yogurt, pancakes and juice/milk. Special guests for our breakfast included District 16 Superintendent, Lawrence Keoughan, and of course, SANTA!!

On December 23rd, RES' K-2 Drama Club presented: *A Reindeer Christmas*

On December 15th, RES' Grades 3-5 Drama Club Presented: *Santa is Smarter*

## RES' 2011 Chess Club Schedule

RES' K-2 Chess Club students play chess from 11:55-12:40 on Day 2. RES' Grades 3-5 Chess Club students play chess from 11:55-12:40 on Day 4. **ATTENDANCE POLICY:**

It is expected that all students in New Brunswick's public school system attend school regularly, arriving on time for class and remaining for the entire school day. Parents are reminded that when their child is unable to attend school, that they are to notify the school as soon as possible.
