On Wednesday, June 5th, 2013 Grade 2 author, Kaleigh Augustine, presented her written tribute to RES' school custodian Mr. Donnie Hudson during our morning announcements! Please find below Kaleigh's tribute:

Donnie:

Have you ever had the best janitor in the world? I did, his name is Donnie.

Do you know that Donnie loves to wear Mickey Mouse and Donald Duck shirts?

Anyone can high five or knuckle-punch Donnie! That's how he became my favorite janitor.

Listen closely I am going to teach you all about Donnie. So open up your ears.

Let's begin with what Donnie likes, hockey! His favorite team is Montreal. He loves to skate. He is better than me, but he still helps me with skating. Mickey Mouse and Donald are his favorite designed kind of shirts.

Consequently, Donnie has 2 kids. I don't know their names, but it's cool. He has a big broom. I have a tiny one.

Further more, he has really funny jokes on April Fool's. Like this one. He said at the cafeteria in the morning last year "hey everybody look, there's Sandy Claus." Or something like that. But everybody looked, then he just laughed.

Eventually, when we lose something, Donnie helps us find whatever we need. Donnie helps clean up the cafeteria.

Certainly, we would like to thank you for being here and cleaning up our school. Now you know the famous Donnie.

What's your favorite part of the story? Do you think that you would like to meet Donnie?

By,

Kaleigh Augustine
