Dear Parent/Guardians:

Students entering Kindergarten in September, 2016 are invited to attend "On My Way to K" at the school in which they have enrolled. The "On My Way to K" program allows for an assessment and screening of all students eligible for Kindergarten, and is used to assist teachers in ensuring that all students have a positive, successful start to school. As well, the children will participate in various activities organized by the Kindergarten teachers, including a ride on the school bus.

This year, "On My Way to K" will be held during the month of April, 2016. **Parents of children currently in Kindergarten are asked to keep their children home on the date specified below so that the Kindergarten teacher and classroom are free to run the "On My Way to K" program.** Your school has scheduled this program for:

Wednesday, April 13th, 2016.

Thank you in advance for your cooperation in this matter.

Sincerely,

Beth Stymiest
Superintendent
